To Whom It May Concern:

Thank you for visiting my office on August 10th to express your views concerning the amalgamation of the City of Kawartha Lakes. I understand that de-amalgamation has been a preoccupying issue of many residents in the City of Kawartha Lakes since the amalgamation of the former county of Victoria.

The decision to change municipal structures is an extremely complex and important undertaking. However, the government welcomes ideas on how to improve local governance and service delivery systems.

Thank you for sharing your views on this issue.

Best regards,

David Zimmer, MPP
